Basic Information

- Place of Origin: Guangzhou, Guangdong, China
- Brand Name: RUIGANG
- Certification: CCC/ISO9001/ISO45001/ISO14001/ISO10012
- Model Number: GQQ100/2.5RG
- Minimum Order Quantity: 1 set
- Price: negotiation
- Packaging Details: We pack products with first polyfoam and then the wooden cases. Once products are too big or customers require a pallet for products, we will make products a pallet.
- Delivery Time: 10~15 working days
- Payment Terms: L/C, D/P, T/T, Western Union, Paypal, Credit card
- Supply Ability: 30000 sets / month

Product Specification

- Maximum Protective Volume: 181 Square Meters
- Cabinet Capacity: 100kg
- Cabinet Color: Red
- Activation Method: Manual/Automatic
- Electrical Requirements: 220V, 50Hz
- Cabinet Material: Steel
- Alarm System: Exclude
- Working Pressure: 2.5MPa
- Highlight: fire suppression fm 200 ccc,
ccc fire safety solution,
iso9001 fire safety solution

Because we are dedicated,
we are professional.

Product Description

FM200 Cabinet Fire Extinguishing System Advanced Fire Safety Solution for Industrial

Product Description:

The FM200 Cabinet Fire Extinguishing System offers both manual and automatic activation methods, providing you with flexibility and convenience in case of emergency situations. The system works at a pressure of 2.5MPa, ensuring efficient and quick suppression of fires. Its cabinet capacity of 100kg allows for extended protection time, giving you the peace of mind that your property and assets are safe.

One of the key features of the FM200 Cabinet Fire Extinguishing System is its pollution-free nature. Unlike traditional fire extinguishing agents, FM200 is an eco-friendly and non-toxic gas that does not leave any residue or harm the environment. This makes it an ideal solution for businesses and organizations that prioritize sustainability and environmental responsibility.

With its advanced technology and reliable performance, the FM200 Cabinet Fire Extinguishing System is a top-of-the-line fire protection solution that can help you prevent and minimize the damage caused by fires. Trust this system to safeguard your property, employees, and customers from potential fire hazards.

Features:

Product Name: FM200 Cabinet Fire Extinguishing System

Alarm System: Included

Cabinet Color: Red

Maximum protective volume: 63 Square Meters

Cabinet Size: 500mm*450mm*1450mm

Working Pressure: 2.5MPa

Fire Extinguishing Agent: HFC-227ea

Type: Cabinet Fire Extinguishing System

Technical Parameters:

Cabinet Size	500mm*450mm*1700mm
Cabinet Material	Steel
Alarm System	Included
Maximum Protective Volume	181 Square Meters
Cabinet Capacity10	100kg
Working Pressure	2.5MPa
Discharge Time	10 Seconds
Cabinet Color	Red
Activation Method	Manual/Automatic
Electrical Requirements	220V, 50Hz

The FM200 Cabinet Fire Extinguishing System is a pollution-free product that provides reliable fire protection for up to 181 square meters of space. Its 100kg capacity and 10-second discharge time make it an efficient and effective solution for fire emergencies. The system can be activated manually or automatically and is equipped with an alarm system for added safety. The steel cabinet is painted red for easy visibility in case of an emergency.

Applications:

The cabinet fire extinguishing system is suitable for a variety of different application occasions and scenarios. It can be used in server rooms, data centers, archives, museums, laboratories, and other environments that require protection from fire. The system can be activated manually or automatically depending on the needs of the user.

The RUIGANG GQQ100/2.5RG Cabinet Fire Extinguishing System has a cabinet capacity of 100kg and a working pressure of 2.5MPa. The cabinet material is made of steel, which ensures the durability and longevity of the product. The system can be easily installed and maintained by professionals.

We offer the product at a negotiable price and have a minimum order quantity of 1 set. The product will be packaged with first polyfoam and then in wooden cases. For larger products, we can also provide pallets upon request. Our delivery time is 10-15 working days, and we accept various payment methods such as L/C, D/P, T/T, Western Union, Paypal, and Credit Card. Our supply ability is 30000 sets per month.
