Basic Information

- Place of Origin: Guangzhou, Guangdong, China
- Brand Name: RUIGANG
- Certification: CCC/ISO/CMA/CAL/CNAS
- Model Number: XQQC30/1.6RG
- Minimum Order Quantity: 3 set
- Price: negotiation
- Packaging Details: Plywood outer box with bubble bag or paper
- Delivery Time: 10~15 working days
- Payment Terms: L/C, D/P, T/T, Western Union, Paypal, Credit card
- Supply Ability: 30000 sets / month

Because we are dedicated,
we are professional.

Product Specification

- Installation: Easy To Install
- Volume: 30L
- Type: Stored-pressure Type
- Maximum Protective Volume: 36 Cubic Meter
- Driving Mode: Electric Actuated
- Cylinder High: 523±20(mm)
- Discharge Time: ≤10s
- Working Pressure: 1.6MPa
- Outside Of Diameter Cylinder: Φ400mm
- Filling Amount: 30kg
- Ambient Working Temperature: 0°C 50°C

Product Description

High-performance and top-rated Automatic fire extinguisher for commercial

Product Description:

The Automatic Fire Extinguisher has a discharge time of less than 10 seconds, making it one of the fastest and most efficient extinguishers on the market. The extinguishing agent used is HFC-227ea, a clean and environmentally friendly agent that leaves no residue. With a maximum protective volume of 54 cubic meters, this extinguisher can easily cover a large area, making it ideal for use in commercial and industrial spaces.

Installation of the Automatic Fire Extinguisher is easy, thanks to the included hanging device. The hanging gas fire extinguishing device can be easily mounted on a wall or ceiling, ensuring that it is always within reach in the event of a fire. The hanging FM200 automatic fire extinguisher is designed for convenience, making it easy to use and maintain.

Don't let the threat of fire damage your property or endanger your safety. Invest in the Automatic Fire Extinguisher today and enjoy peace of mind knowing that you are protected by one of the most efficient and reliable fire extinguishers on the market.

Features:

Product Name: Automatic Fire Extinguisher

Filler: HFC-227ea

Diameter: 400±20(mm)

Installation: Easy To Install

Model: XQQC30/1.6RG

Fire Extinguisher Color: Red

The hanging FM200 Automatic Fire Extinguisher is an easy to install and reliable fire safety solution. Its filler, HFC-227ea, ensures quick and effective extinguishing while the 400±20(mm) diameter provides ample coverage. The red color makes it easy to spot in case of an emergency. This hanging fire extinguisher is a must-have for all commercial and residential spaces.

Technical Parameters:

Working Pressure:	1.6MPa
Diameter:	400±20(mm)
Cylinder Color:	Red
Cylinder high:	523±20(mm)
Capacity:	30L
Filler:	HFC-227ea
Installation mode:	Hanging
Maximum filling Density:	1 Kg/L
Discharge Time:	≤10s
Max Working Pressure:	2.5MPa

Applications:

The hanging gas fire extinguishing device is designed to automatically extinguish fires in enclosed spaces. This makes it ideal for use in data centers, server rooms, control rooms, archives, museums, and other areas that require highly sensitive and effective fire protection. The HFC-227ea Automatic Fire Extinguisher is also suitable for use in industrial settings, such as chemical plants, power plants, and oil refineries.

The RUIGANG XQQC30/1.6RG Automatic Fire Extinguisher comes from Guangzhou, Guangdong, China, and is certified by CCC, ISO, CMA, CAL, and CNAS. This product has a minimum order quantity of 3 sets, and the price is negotiable. The packaging details include a plywood outer box with bubble bag or paper. The delivery time for this product is 10-15 working days, and payment terms include L/C, D/P, T/T, Western Union, Paypal, and Credit card. The supply ability of this product is 30,000 sets per month.

The hanging device has a cylinder height of 468±20mm and a diameter of 350±20mm. It has a maximum filling density of 1 Kg/L and a working pressure of 1.6MPa. The maximum protective volume of this product is 54 cubic meters, making it suitable for use in various scenarios.

In conclusion, the RUIGANG XQQC30/1.6RG Automatic Fire Extinguisher is a top-quality product that can be used in a variety of application occasions and scenarios. Whether you need it for a commercial or residential setting, this product is sure to provide you with the reliable and effective fire protection you need.
