Basic Information

- Place of Origin: Guangzhou
- Brand Name: RUIGANG
- Certification: CCS/CCCF/ISO
- Model Number: 35kg
- Minimum Order Quantity: 10set
- Price: negotiation
- Delivery Time: 10~15 working days
- Payment Terms: L/C,T/T,
- Supply Ability: 10000pcs/month

Product Specification

- Safety Pin: Yes
- Spray Residual Rate: $\leq 10\%$
- Spraying Lag Time: ≤ 5
- Pressure Gauge: Yes
- Weight Of Extinguishant: 35 ± 0.7
- Extinguishing Agent: Dry Powder
- Effective Spraying Time: ≥ 30 Seconds
- Cylinder Material: Steel
- Highlight: 6m Firefighting Equipment,
Lightweight Firefighting Equipment,
 50 ± 1 Firefighting Equipment

Product Description

Product Description:

With a weight of 35 ± 0.7 , this fire extinguisher is easy to maneuver and transport. The bright red color ensures that it is easily visible in an emergency, while the easy-to-use handle makes it simple to activate the extinguisher quickly.

This fire extinguisher is suitable for a wide range of applications. Its 6A,233B,C,E fire extinguishing level makes it perfect for use in many different environments, including homes, offices, factories, and warehouses. Whether you need to put out a small kitchen fire or a larger industrial blaze, this versatile fire extinguisher is up to the task.

One of the key benefits of this fire extinguisher is its dry powder formulation. The Kitchen dry powder extinguisher is specially designed for use in kitchens, while the Special-purpose dry powder extinguisher is ideal for use in environments where there is a risk of fires involving combustible liquids or gases.

Overall, this trolley-type fire extinguisher is an excellent investment for anyone who wants to ensure the safety of their home or workplace. With its versatile fire extinguishing capabilities and easy-to-use design, it is a must-have for any emergency preparedness kit.

Features:

Product Name: Fire Extinguisher

Color: Red

Effective Spraying Distance: $\geq 6\text{m}$

Spraying Lag Time: ≤ 5

Safety Pin: Yes

Weight of Extinguishant: 35 ± 0.7

This Fire Extinguisher is a portable dry powder fire extinguisher that is perfect for construction sites or any location where fires may occur. Its red color makes it easily identifiable in case of emergency, and it has an effective spraying distance of at least 6m. The spraying lag time is less than or equal to 5 seconds, ensuring quick action in case of a fire. It also features a safety pin to prevent accidental discharge and has a weight of extinguishant of 50 ± 1 .

Technical Parameters:

Type	Trolley
Color	Red
Working Temperature	$-20^{\circ}\text{C}\sim 55^{\circ}\text{C}$
Spraying Lag Time	≤ 5
Extinguishing Agent	ABC dry powder extinguisher, Monoammonium phosphate dry powder extinguisher, Kitchen dry powder extinguisher
Cylinder Material	Steel
Driving N2 Pressure	1.2MPa
Safety Pin	Yes

Fire Extinguishing Level	6A,233B,C,E
Spray Residual Rate	≤10%

Applications:

The RUIGANG fire extinguisher is an ABC dry powder extinguisher that is suitable for a wide range of fires, including Class A, B, and C fires. This makes it an essential product to have in any household, office, or industrial setting.

The 50kg model is larger in size and is designed for industrial-grade use. It has a place of origin in Guangzhou and is certified by CCCF/ISO/CE/CCS. This ensures that the product has undergone rigorous testing and meets the necessary safety standards. The minimum order quantity for this product is 10 sets, and the price is subject to negotiation. The delivery time for this product is 10~15 working days.

The RUIGANG fire extinguisher is easy to use and has a spraying distance of ≥6m. This means that it can extinguish fires from a safe distance. The weight of the extinguishant is 35±1, making it a powerful tool in fighting fires. The safety pin included in the product ensures that it is not accidentally triggered.

This industrial-grade dry powder extinguisher is perfect for a variety of applications. It can be used in factories, warehouses, and other industrial settings. It is also useful in homes, offices, and vehicles. The RUIGANG fire extinguisher can be used to extinguish fires caused by Class C gas fires, making it a versatile product.

The spray residual rate of the RUIGANG fire extinguisher is ≤10%, ensuring that it is effective in extinguishing fires. It has an effective spraying time of ≥30 seconds, meaning that it can be used to put out fires quickly. The RUIGANG fire extinguisher is a reliable product that is easy to use and maintain.

The payment terms for this product are L/C and T/T. The supply ability for this product is 5000pcs/month, ensuring that it is readily available when needed. The RUIGANG fire extinguisher is a reliable and essential product that can help prevent fires and protect lives and property.
