

Quick Fire Suppression with CO2 Extinguishing Agent Firefighting Equipment and ≤5 Spraying Lag Time

Our Product Introduction

for more products please visit us on firefm200.com

Basic Information

- Place of Origin: Guangzhou
- Brand Name: RUIGANG
- Certification: CCS/CCCF/ISO
- Model Number: 2kg/3kg/5kg/7kg
- Minimum Order Quantity: 10set
- Price: negotiation
- Delivery Time: 10~15 working days
- Payment Terms: L/C,T/T,
- Supply Ability: 5000pcs/month

Product Specification

- Weight Of Extinguishant: 1.9~2.0/ 2.85~3.0/ 4.75~5.0/ 6.65~7.0
- Pressure Gauge: Yes
- Working Temperature: -10~+55°C
- Max. Working Pressure: 17.6MPa
- Effective Spraying Distance: ≥2.0m/≥2.5m
- Effective Spraying Time: ≥8 Seconds
- Extinguishing Agent: CO2
- Spraying Lag Time: ≤5
- Highlight: Quick Fire Suppression, 5 Spraying Lag Time Fire Suppression, CO2 Extinguishing Agent Fire Suppression

Product Description

Product Description:

Our fire extinguisher comes in a classic red color that is easy to spot during an emergency. It is available in different weights of extinguishant to cater to your specific needs. You can choose from 1.9~2.0, 2.85~3.0, 4.75~5.0, or 6.65~7.0 weight options.

Our fire extinguisher has a pressure gauge that allows you to check its readiness at any time. This feature ensures that you are always prepared to tackle a fire quickly and effectively.

Our fire extinguisher also has a spray residual rate of $\leq 15\%$, which means that it can efficiently put out fires without leaving behind any harmful chemicals. This feature makes it ideal for use in areas where there are people, such as offices, schools, and homes.

Our fire extinguisher has a filling factor of ≤ 0.68 , which means that it is lightweight and easy to handle. You can easily carry it around and use it to put out fires before they get out of control.

Investing in our fire extinguisher is a smart decision that can help you protect your property and loved ones. Order yours today and enjoy peace of mind knowing that you have a reliable firefighting equipment at your disposal.

Features:

Product Name: Fire Extinguisher

Spraying Lag Time: ≤ 5

Usage: Class A, B, C And E Fires

Filling Factor: ≤ 0.68

Safety Device Operating Pressure: 18~22MPa

Weight of Extinguishant: 1.9~2.0/ 2.85~3.0/ 4.75~5.0/ 6.65~7.0

Industrial-grade CO2 extinguisher

Effective CO2 extinguisher for Class A fires

Kitchen CO2 extinguisher

Technical Parameters:

Pressure Gauge	Yes
Effective Spraying Distance	$\geq 2.0\text{m}/\geq 2.5\text{m}$
Working Temperature	$-10\sim+55^{\circ}\text{C}$
Effective Spraying Time	≥ 8 Seconds
Max. Working Pressure	17.6MPa
Spraying Lag Time	≤ 5
Extinguishing Agent	CO2

Filling Factor	≤0.68
Safety Device Operating Pressure	18~22MPa
Type	Portable

Technical parameters of the Portable Fire Extinguisher with CO2 fire extinguisher as an extinguishing agent.

Applications:

The RUIGANG Fire Extinguisher is certified by CCCF/ISO/CE/CCS, which is an indication of its quality and effectiveness. The extinguisher is filled with CO2, which is a safe and effective agent for extinguishing fires. It can be used in different places, such as homes, offices, schools, hospitals, and other public places.

The Residential-grade CO2 extinguisher has an effective spraying time of ≥8 seconds, which provides enough time to extinguish a fire before it gets out of control. The extinguisher also has a pressure gauge that indicates the pressure level of the extinguisher, allowing you to know when it is time to refill or replace it.

The RUIGANG Fire Extinguisher is colored red, which makes it easy to locate in case of an emergency. It also has a safety device operating pressure of 18~22MPa, which ensures that it is safe to use. The fire extinguisher is easy to use and requires no special training to operate.

You can use the RUIGANG Fire Extinguisher in various scenarios, such as in the kitchen to extinguish cooking fires, in the garage to extinguish fires caused by flammable liquids, and in offices to extinguish electrical fires. The extinguisher is suitable for both residential and commercial buildings, and it is an essential safety equipment that everyone should have.

We offer a minimum order quantity of 10 sets at a negotiable price, and our delivery time is 10~15 working days. Our payment terms are L/C and T/T, and we have a supply ability of 5000pcs/month. Get the RUIGANG Fire Extinguisher today and be prepared for any fire emergency!

Customization:

Customize your RUIGANG fire extinguisher to meet your specific needs with our product customization services. Choose from our range of models including 2kg, 3kg, 5kg, and 7kg sizes. Our fire extinguishers are manufactured in Guangzhou and are certified by CCCF, ISO, CE, and CCS.

The minimum order quantity is 10 sets and prices are negotiable. Delivery time is typically 10-15 working days. Payment terms include L/C and T/T and our supply ability is 5000pcs/month.

Our fire extinguishers are equipped with a pressure gauge and have a spray residual rate of ≤15% with a spraying lag time of ≤5 seconds. The weight of extinguishant varies based on the model chosen, ranging from 1.9-2.0kg for the 2kg size to 6.65-7.0kg for the 7kg size. All models are portable and easy to use in emergency situations.
