Basic Information

- Place of Origin: Guangzhou
- Brand Name: RUIGANG
- Certification: CCS/CCCF/ISO
- Model Number: 2kg/3kg/5kg/7kg
- Minimum Order Quantity: 10set
- Price: negotiation
- Delivery Time: 10~15 working days
- Payment Terms: L/C,T/T,
- Supply Ability: 5000pcs/month

Product Specification

- Effective Spraying Time: ≥ 8 Seconds
- Max. Working Pressure: 17.6MPa
- Safety Pin: Yes
- Cylinder Material: Steel
- Weight Of Extinguishant: 4.75~5.0
- Effective Spraying Distance: $\geq 2.0\text{m}/\geq 2.5\text{m}$
- Extinguishing Agent: CO2
- Spray Residual Rate: $\leq 15\%$
- Working Temperature: $-10\sim+55^{\circ}\text{C}$
- Safty Device Operating Pressure: 18~22MPa
- Highlight: Spraying Lag Time ≤ 5 Fire Extinguisher

Product Description

Product Description:

Our Fire Extinguisher is made with the highest quality materials, making it reliable and durable. It can withstand a wide range of temperatures, from -10°C to +55°C, ensuring that it will work effectively regardless of the weather conditions. The Safety Device Operating Pressure of our extinguisher is set at 18~22MPa, ensuring that it is safe to use and can handle high-pressure situations. The Weight of Extinguishant in our Fire Extinguisher ranges from 1.9~2.0 kg to 6.65~7.0 kg, giving you a range of options to choose from depending on your needs. Our extinguisher has a Spraying Lag Time of ≤5 seconds, making it quick and easy to use in emergency situations. Additionally, our Fire Extinguisher comes with a Pressure Gauge, allowing you to monitor the pressure level and ensuring that it is always ready to use.

Our Special-purpose CO2 Fire Extinguisher is designed for use in a wide variety of settings, including residential, commercial, and industrial environments. It is particularly effective in extinguishing fires caused by electrical equipment and flammable liquids, making it an essential tool for any workplace or home. Our Residential-grade CO2 Extinguisher is easy to use and highly effective, providing peace of mind and ensuring the safety of your family or employees.

Investing in our Special-purpose CO2 Fire Extinguisher is a smart decision that can save lives and prevent property damage. Our Portable Fire Extinguisher is reliable, durable, and easy to use, making it the perfect tool for any emergency situation. Don't wait until it's too late - order your Fire Extinguisher today and ensure the safety of your home or workplace!

Features:

Product Name: Fire Extinguisher

Weight of Extinguishant: 1.9~2.0/ 2.85~3.0/ 4.75~5.0/ 6.65~7.0

Type: Portable

Cylinder Material: Steel

Working Temperature: -10~+55°C

Extinguishing Agent: CO2

Features:

Industrial-grade CO2 extinguisher

Effective fire extinguisher equipment

Portable design for easy use

Durable steel cylinder material

Suitable for working in temperatures between -10~+55°C

Technical Parameters:

Safety Pin	Yes
Spray Residual Rate	≤15%
Spraying Lag Time	≤5
Usage	Class A, B, C And E Fires
Max. Working Pressure	17.6MPa
Effective Spraying Time	≥8 Seconds
Cylinder Material	Steel
Extinguishing Agent	CO2
Working Temperature	-10~+55°C
Safety Device Operating Pressure	18~22MPa

This Fire Extinguisher product is a warehouse CO2 extinguisher, special-purpose CO2 extinguisher and vehicle CO2 extinguisher.

Applications:

RUIGANG Fire Extinguisher is a high-quality and reliable product that comes in different models, including 2kg, 3kg, 5kg, and 7kg. It is manufactured in Guangzhou and has been certified by CCCF, ISO, CE, and CCS. The product has a spray residual rate of ≤15%, spraying lag time of ≤5, and a pressure gauge for easy monitoring.

The RUIGANG Fire Extinguisher is suitable for various occasions and scenarios. It is ideal for industrial and commercial use, including factories, warehouses, workshops, and other places where flammable materials are stored. The CO2 extinguisher is especially effective for Class C gas fires, where other types of extinguishers may not be suitable. The extinguisher can quickly suppress the flames, preventing further damage and saving lives.

RUIGANG Fire Extinguisher is designed for easy use, with a safety pin to prevent accidental discharge. It also has a safety device operating pressure of 18~22MPa, ensuring that it operates safely and efficiently. The product comes with a minimum order quantity of 10 sets, and the price is negotiable depending on the quantity ordered. The delivery time is 10~15 working days, and the payment terms

include L/C and T/T.

The RUIGANG Fire Extinguisher has a supply ability of 5000pcs/month, making it readily available for customers who need it. The industrial-grade CO2 extinguisher is a must-have safety device for any workplace where fire hazards exist. Whether it is a small fire or a large one, the RUIGANG Fire Extinguisher can help prevent the situation from getting worse and potentially save lives.

Customization:

RUIGANG requires a minimum order quantity of 10 sets with a negotiable price. The delivery time is 10-15 working days, and payment terms accepted are L/C and T/T. The company has a supply ability of 5000pcs/month. The product is manufactured in Guangzhou, which ensures quality and durability.

RUIGANG offers two types of CO2 fire extinguishers: Residential-grade and Special-purpose. Both types have the same quality and certifications but differ in their usage. The Residential-grade is ideal for use in households, while the Special-purpose CO2 extinguisher is tailored for use in commercial and industrial settings.

If you're interested in purchasing a RUIGANG fire extinguisher, please contact us for further assistance. We also provide information on CO2 fire extinguisher price and help you customize the product to meet your specific needs.

FAQ:
