Basic Information

- Brand Name: RUIGANG
- Certification: CCS/CCCF/ISO
- Model Number: MPZ9/MPTZ45
- Minimum Order Quantity: 10set
- Price: Negotiation
- Packaging Details: Cardboard Box
- Delivery Time: 10~15 Working Days
- Payment Terms: T/T,,L/C
- Supply Ability: 5000pcs/month

Product Specification

- Color: Red/Green
- Spraying Lag Time: ≤5
- Cylinder Material: Steel
- Handle Type: Squeeze-grip/trolley-type
- Pressure Gauge: Yes
- Effective Spraying Time: 40s~210s
- Weight Of Extinguishant: 8.55~9/42.75~45
- Size: 9L /45L
- Highlight: Foam Fire Extinguishers

Product Description

Product Description:

A Pressure Fire Extinguisher is a crucial safety equipment that can make a significant difference during emergencies. One such essential product is the Portable foam fire extinguisher, which is designed to tackle fires effectively, especially those classified as Class B fires. This versatile fire extinguisher utilizes Foam & Water-Based extinguishing agents to combat various types of fires, ensuring a reliable and efficient performance when needed.

The Portable foam fire extinguisher comes in two convenient sizes: 9L and 45L, providing options to suit different spaces and requirements. Whether it's for a small office or a larger industrial setting, these extinguishers offer the flexibility needed to address fire hazards effectively. The size variations also ensure that an adequate amount of extinguishing agent is available to suppress fires promptly.

When it comes to firefighting efficiency, the Effective Spraying Time of this fire extinguisher ranges from 40s to 210s. This extended spraying duration allows users to control and extinguish fires thoroughly, providing a reliable solution to emergency situations. The longer spraying time ensures that the extinguishing agent can cover the fire area effectively, aiding in preventing re-ignition.

In terms of Fire Extinguishing Level, this product is rated as 3A, 113B, E for the 9L size and 10A, 233B, E for the 45L size. These ratings indicate the extinguisher's capability to combat different types and sizes of fires. The higher the rating, the more powerful the extinguisher is in suppressing fires, offering a higher level of protection and safety in various environments.

One of the key features of the Portable foam fire extinguisher is its Handle Type options. Users can choose between the Squeeze-grip handle for easy and quick operation or the trolley-type handle for enhanced mobility and maneuverability. The Squeeze-grip handle allows for a firm grip and precise control during fire suppression, while the trolley-type handle provides the convenience of moving the extinguisher to different locations effortlessly.

Applications:

When it comes to fire safety, the RUIGANG Fire Extinguisher (Model: MPZ9/MPTZ45) is a versatile and reliable product suitable for a variety of application occasions and scenarios.

For office use, the RUIGANG Fire Extinguisher is an essential fire safety equipment that can effectively handle Class A, B, and E fires with its impressive fire extinguishing level of 3A, 113B, E. Its bright red color ensures easy identification in case of emergencies, and the effective spraying distance of ≥ 4.0 meters allows for quick and efficient fire suppression in office settings. The spray residual rate of $\leq 15\%$ minimizes cleanup after extinguishing the fire, making it ideal for office environments.

For vehicle use, the RUIGANG Fire Extinguisher is a compact yet powerful fire safety solution. With a fire extinguishing level of 10A, 233B, E, it can effectively combat fires in vehicles. The longer effective spraying distance of ≥ 6.0 meters and spraying time of 40s~210s make it suitable for use in cars, trucks, and other vehicles. Its green color provides visibility and easy access in case of emergencies on the road.

Whether it's for office use or vehicle use, the RUIGANG Fire Extinguisher is a must-have fire extinguisher equipment to ensure the safety of people and property. Manufactured in Guangzhou, Guangdong, China, this product is certified by CCCF, ISO, CE, and CCS, guaranteeing its quality and reliability. With a minimum order quantity of 10 sets and a supply ability of 5000 pcs/month, customers can easily procure this essential fire safety equipment. The packaging details in a cardboard box ensure safe transport and storage, while the delivery time of 10~15 working days and flexible payment terms (L/C, T/T) make it convenient for customers to acquire this life-saving product.
