Basic Information

- Brand Name: RUIGANG
- Certification: CCS/CCCF/ISO
- Model Number: MPTZ45
- Minimum Order Quantity: 10set
- Price: Negotiation
- Packaging Details: Cardboard Box
- Delivery Time: 10~15 Working Days
- Payment Terms: L/C,T/T,
- Supply Ability: 5000pcs/month

Product Specification

- Handle Type: Trolley-type
- Extinguishing Agent: Foam & Wate-Based
- Cylinder Material: Steel
- Fire Extinguishing Level: 10A,233B,E
- Effective Spraying Distance(m): ≥ 6.0
- Color: Red/Green
- Weight Of Extinguishant: 42.75~45
- Spray Residual Rate: $\leq 15\%$
- Highlight: Industrial Environments Fire Extinguishers

Product Description

Product Description:

The Transportable Fire Extinguisher is an essential safety device designed to tackle various types of fires effectively. This versatile extinguisher comes with a Fire Extinguishing Level of 10A,233B,E, making it suitable for handling different classes of fires. Available in two convenient sizes, 9L or 45L, this Mobile foam fire extinguisher provides users with options based on their specific needs. Whether it's for a small office space or a larger industrial setting, this extinguisher offers reliable fire protection.

Equipped with a user-friendly handle, users can choose between the Squeeze-grip or trolley-type handle for easy maneuverability and operation. The trolley-mounted foam water-based fire extinguisher provides added mobility, allowing users to transport and deploy the extinguisher swiftly in case of emergencies.

For enhanced safety and convenience, this fire extinguisher features a Pressure Gauge that allows users to easily monitor the pressure levels, ensuring the extinguisher is always ready for use. This visual indicator helps users quickly assess the readiness of the extinguisher without any guesswork.

The Effective Spraying Time of 40s~210s ensures that users have sufficient time to suppress the fire effectively. With a reliable and consistent spraying duration, this extinguisher offers peace of mind during fire emergencies, allowing users to control and extinguish fires promptly.

Whether it's a small fire in the office or a larger industrial incident, the Transportable Fire Extinguisher is a reliable and efficient safety device that helps protect lives and property. Invest in this essential safety equipment today to ensure you are prepared for any fire emergency.

Applications:

Product Application Occasions and Scenarios:

- Mobile foam fire extinguisher: The extinguishing agent of foam & water-based in the RUIGANG Fire Extinguisher makes it perfect for situations where flammable liquids are involved. Its pressure gauge and steel cylinder material ensure durability and effectiveness in combating fires.

- Fire extinguisher for office use: Whether in a small office space or a corporate building, the RUIGANG Fire Extinguisher is a crucial safety measure. With certifications including CCCF, ISO, and CCS, it meets high standards for fire safety equipment.

Additional Product Details:
